BREAKFAST

Kazzi draws its inspiration from the Greek island of KASTELLORIZO ("KAZZI").

Kazzi's Australian links are significant, with many among Australia's first Greek immigrants hailing from this secluded Hellenic hideaway. The last 'rock' in the dodecanese island group has a rich history of traditional Greek fare.

Kazzi offers simple dishes, rich in the MEDITERRANEAN STYLE DIET sourcing the freshest of produce, using healthy style cooking, & of course Kazzi inspired recipes.

KAZZI BEACH GREEK is the very kind of street style Mediterranean offerings found along the blue shores of the Aegean.

Once you enjoy the delights of KAZZI BEACH GREEK you too will become a 'KAZZI', as is traditional of the welcoming nature of our Greek island origins.
